Ash's team were taking a break and chatting while Pikachu, Teddiursa and Manaphy were eating playing together

Jonah: **Smile** So you meet Professor Kukui before you begin your journey?

Sarah: Yeah, I met him and taught me about becoming a trainer before I began my journey.

Ash: **Smiles** He was a great teacher. He taught me a lot about Pokémon in his region since I visited there.

Lillie: Same here, he and I were classmates along with our friends there. I learned to communicate with other pokemon, I was afraid of them.

Sarah: You were scared of pokemons?

Lillie: **Smile** Not anymore.

Sarah: **Smile** That's good. So Ash, how did it go in the Alola region since you met Professor Kukui.

Ash: **Smile** It was a blast. We had a great time, and I even won the Manalo Conference.

Pikachu: **Smile** Pika!

Lillie: Yeah, he won first place despite that I lost.

Sarah: **Delight** You did? You really did improve your skills and the Masters Eight tournament as well.

May: He's gone a lot of his training without giving up.

Dawn: He never stopped, he's the true master of pokemon.

Sakura: Cause he's the trainer that always travels.

Ty: **Smile** That's why I call him the unstoppable trainer.

Teddiursa: Teddiursa.

Raye: It's great to have him with us by telling his previous adventure.

Sarah: **Giggles**
Sarah was enjoying the conversation with her friends while she asked Ty

Sarah: Hey cousin, what is your main goal since you began your journey?

Ty: My goal is to become the best pokemon trainer in the world, and in fact, I'm going to become the next pokemon master like Ash Ketchum.

Teddiursa: Teddiursa.

Sarah: You really mean it?

Ash: Yeah, but not until he's strong enough to defeat me at any upcoming tournament or conference despite the fact that I began my adventure once again.

Pikachu: Pika.

Sarah: Wow, that's great. Hopefully my cousin can be the next champion like you.

Ty: It will take longer to wait, right now, I'll be ready for the next gym battle and receive my gym badge and train my pokemons.

Teddiursa: Teddiursa.

Sarah: That's wonderful.

Jonah: Ty and I will be the best teams together.

Raye: And I want to be a top coordinator, just Dawn and May here.

Dawn: That's exactly right. Are you interested in that?

Sarah: **Smile** I want to, but I prefer to be a trainer.

Sakura: That's good.

May: As long you keep training, you'll be ready.

Sarah: Thanks, May. What about you, Max? Hm?
She questioned Max until they noticed that he's not here

Ash & his friends: Huh?

Ty: Where's Max?
They looked around for Max until they found him at the lake, sitting on the log, eating a bag of cookies

May: **Grumpy** Great. Entertaining himself.
Max was enjoying eating bags of cookies

Max: Mmm. Yesss. Delicious cookies to enjoy myself.

May: Really good, right?

Max: Yeah, it's very good–
Max was surprised to see May and the others to him

Max: Oh hi, big sis.

May: **A bit mad** You're eating a bag of cookies on your own without spending time with us?

Max: Sorry, I just want to enjoy it for a bit.

May: **Sigh** I guess I'll trust you for now.

Ty: And speaking of that, I'll have a cookie.

Max: Hey.

Ty: Here, buddy.

Teddiursa: Teddiur.

Ash: I'll have one too, I need a bite.

Sakura: Same here.

Sarah: Oh sure.

May: Here, have a piece Manaphy.

Manaphy: Mana.

Max: Guys–

Lillie: Thank you, Max

Jonah: Thanks, Max.

Raye: You're very kind, Max.

Max: **Protested** Guys, are you done!? **Gasp**
Despite Max's protest, his friends grabs a piece of cookies from this bag, it was empty

Max: **Sigh** There goes my last treat.

Ty: Oh don't worry, there's plenty more for everyone.

Max: Uh-huh. Hm?
Max sees a pokemon in front of the gang

Max: What's that pokemon over there?

Ash & his friends: Hm?

Ty: Hey, you're right, what is it?
They got a look at the Pokémon, it was a Pachirisu

Dawn: It's a Pachirisu.

Raye: A Pachirisu?
Raye checks Pachirisu on her pokedex to get information

Pokedex (Voice): *"Pachirisu, the EleSquirrel Pokémon. A pair may be seen rubbing their cheek pouches together in an effort to share stored electricity. It stores them with berries in tree holes."*

Pachirisu: **Chirping**

Jonah: Wow. Look at that.

Sakura: It looks cute. I haven't seen it before.

Dawn: It's from Sinnoh.

Raye: That's awesome. Wait a minute...

Jonah: Hm?
Raye pulls her pokeball, attempting to catch Pachirisu

Raye: I'm going to catch it and be on my team.

Pachirisu: **Chirping** ?

Raye: Here goes. Pokeball, go!

Pachirisu: **Chirping** !
Suddenly, catching Pachirisu ended up missing it

Raye: What?

Pachirisu: **Chirping & angry**

Ash: What's going on?

Ty: I don't think Pachirisu doesn't want to be on Raye's team.

Sarah: I think it doesn't want to.

Raye: But how? I really want that Pachirisu.

???: That's my pokemon!

Ash & his friends: Huh?
They were surprised by a voice coming from the distance, it was girl, looking for her Pachirisu

Girl: Are you trying to steal my pokemon?

May: Wait, that's your Pachirisu that you're talking about?

Girl: Of course that's mine. Can't you see?

Pachirisu: **Chirping & nodded**

Raye: Ohhh, never mind.

Pachirisu: **Chirping**

Girl: It's okay, Pachirisu. I'm here.

Max: I guess she's the owner then?

Lillie: I think so.
The gang realized that Pachirisu belongs to that girl, Raye was a bit disappointed but remained calm. A few minutes, they had a conversation

Raye: Listen, I want to apologize for scaring your Pachirisu, cause I was about to catch for my team until I realized it was yours.

Girl: **Smile** It's okay, it's good that you didn't catch it on time, I'll be upset about it.

Raye: **Smile** No worries. Hi, I'm Raye Rose.

Girl: **Smile** Nice to meet you, I'm Avery Meadows. That's your group here?

Avery: And he's very adorable.

May: Thanks, right, my sweet little angel.

Manaphy: **Smile** Mana.
They all smiled at May tickling Manaphy, and smiled comfortably. Later in the sunset, the gang are leaving to Olivine City

Ash: Thanks for your help, Avery. You were a good assistance.

Avery: No need to thank me. I just love meeting nice people like all of you.

Ash: **Chuckles** Anytime.

Ty: We wouldn't do this without you by saving Manaphy, but we won the battle.

Teddiursa: Teddiursa.

Avery: **Giggles** Indeed. So where are you heading now?

Raye: We're heading to Olivine City, that's our next stop.

Ty: Yeah. And we thought of an idea, Avery. Wanna tag along with us?

Avery: Hm?

Ash: Yeah, you can come with us on our journey.

Dawn: And we can chat while on our adventure.

Sarah: And we can do something fun together.

Jonah: Or maybe have a pokemon battle with us.

Avery: If you guys are inviting me...I'm in.

Max: All right, she's an official member.

Ty: Now that's what I call you, a new member of our team.

Teddiursa: Teddiursa.

Sakura: We're happy to have you with us.

Lillie: This will be the best group for us.

May: Welcome to the club, Avery.

Manaphy: Mana.

Avery: Thank you guys.
Now an official member of Ash's team, Avery joins with them as they leave to Olivine City together

Narrator: With Avery, a new member of their team, our heroes are becoming the strongest team by working together as they make their way to their next destination. As their journey continues.
Meanwhile, in the forest, Team Skull were more upset after losing their battle

Zipp: Argh! We were so close to winning!

Rapp: We almost had that Manaphy with us.

Yuho: Those kids are getting stronger. How's that possible!?

Tupp: Grr! I don't even have any words to say cause I'm more upset right now!

Plumeria: Will you guys knock it off! We still have our chance to defeat Ash and his team.

Guzma: She's right, we won't leave until we defeat them again!

Tupp: What's our next move, boss?

Guzma: We're making our plan to defeat those kids. And this...will be ready for them.
Team Skull has agreed on Guzma's plan to defeat Ash's team next time they meet

To be continued...

(Pokemon Master Revolution Theme Song Plays. Outro:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do

I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
